Dear Parents and Caregivers,

This is the final newsletter for this term. This Sunday’s Gospel is about the ‘Workers in the Vineyard’. We often call people great when they are very successful, rich and powerful. Jesus explains in Sunday’s Gospel that such things are not important to God. He measures our greatness by our goodness and ability to put others before ourselves.

The challenges of this story hit us as we identify with the feelings of indignation alongside the workers. We are called to reflect upon the times we personally have experienced jealously or resentment, causing us to think about what provoked these emotions and how we dealt with these feelings. Often there is a difference in how we react to being recipients of generosity and watching others being treated with generosity when we don’t believe they deserve it. During this week, think of God’s gift of abundance and generosity and aim for ways to be generous towards others with time, attention and a positive attitude.

Catholic Schools Music Festival

Last week I had the absolute pleasure of joining the Catholic Schools Music Festival Choir Members and their families at the Entertainment Centre. I can only sum up the whole experience with one word - pride. Our Choir performed brilliantly as part of a 600 plus strong ensemble choir for the Catholic Schools Music Festival. They have been preparing since the beginning of the year, learning numerous songs. Ms Oriana Radman does a wonderful job every year in preparing the Choir for this prestigious event. We are truly grateful for her continued effort and enthusiasm. Thank you to everybody who attended, participated, rehearsed and above all enjoyed the evening.

Summer Uniform

All students are expected to wear their full summer uniform in Term Four, please refer to the Uniform Policy which is available here. Please assist teachers in maintaining a high standard of dress and ensure your child is wearing the correct summer formal and/or sports uniform on the appropriate day. If this is not possible for any reason on a particular day, please don’t hesitate to see your child’s teacher or write a note for the teacher.

A reminder that the School Uniform Policy also incorporates grooming, in particular;

- Hair needs to be kept away from the face at all times. Long hair (shoulder length) needs to be tied back.
- Hair ribbons, ties, clips and headbands are to be in school fabric or school colours.
- Make up is not allowed including nail polish.
- Hair style and colour needs to be appropriate for school and should not be designed to attract attention.
**Principal’s Report**

**Pupil Free Day**
A reminder that on Friday 20th October (Week 1, Term 4) there will be a Pupil Free Day for Reception to Year 7 students. On this day the staff will work together to further develop our Student Responsibility Policy.

**Catholic Police Checks**
To ensure St Joseph’s Memorial School continues to be a safe place for every student, we regularly write in the newsletter how collectively we as a community can do this best. In accordance with the Children’s Protection Act, the Police Check Unit which is part of the Professional Standards Office of the Catholic Archdiocese of Adelaide has been established for the processing of police clearances within the Catholic system. It is the responsibility of all Catholic organisations, including Catholic Schools and Parishes, to ensure that all volunteers and contractors assisting at their premises have a current Catholic Archdiocese Police Clearance. Volunteers and contractors who do not have a current Catholic Police Clearance will be unable to perform their duties in and around our school while students are present. We invite you to renew your current check or begin the process of applying for a Catholic Police Check if you haven’t already received clearance. In the meantime, if you have any questions with regards to Catholic Police Clearances as a volunteer please contact the office.

**Planning for 2018**
Next term the class placement process for 2018 will commence. This is both a time consuming and complex process as we work to develop the right mix of students and the best possible fit in terms of both class sizes and class structures. Our staff aim to keep abreast of the needs of every child through the course of the year and in their discussions with parents, therefore there is very little additional information they require when it comes to the placement process. Please understand that we take into consideration a range of factors including learning styles, academic achievement, gender, previous class history, friendship groups, social and emotional issues, siblings/relatives and so on. I must stress that letters of requests for certain teachers will not be considered as I have yet to confirm staff deployment for next year. A final reminder, if your child is not attending St Joseph’s Memorial School in 2018, I need to be notified in writing as soon as possible, as this information must be addressed before we begin the enormous task of staffing our school and working out class placements.

**End of Term**
This has been a very busy and productive term. I have been continually impressed by the levels of commitment, learning and sheer joy that your children bring to our school community. We are a strong community and there are many bonds that allow us to offer the educational experience that we do. Through the dedication of our teachers and the support of our parent body, St Joseph’s Memorial continues to provide many and varied opportunities for children to develop their potential and show what they are successful at. I take this opportunity to thank everybody for all of their hard work throughout the term, and wish everyone a relaxing break before the final term of the year. Please note that Term 3 concludes this Friday 29th September at 3pm.

God bless
Brady Stallard

**Reception Miss Jessica making juice with parsley from Lily’s garden**
Dear Parents and Caregivers,

We have had a busy few weeks to finish off the term. Our school had its scheduled visit from the Office of Renewing Parishes last week. These visits aim to strengthen partnerships between Catholic schools and Parishes, as well as examine the ways in which schools are including a variety of aspects which are of importance in our mission as a Catholic school. The experience was stimulating and sparked some rich dialogue amongst the delegates from the Office for Renewing Parishes, school staff and the student representatives who were invited to attend. It was evident that there are many ways in which we already invite our community to participate in the Word of God through formal celebrations, the way in which we reach out to those in need, cater for a diverse range of cultural and religious backgrounds and show care for creation. As in everything we do, we continue to strive for better outcomes and can now aspire to further improve our connection with the Parish, building on the practices and values that make our school unique.

Last week the Year 7 students spent a great deal of time planning and preparing liturgies for other classes as part of their learning in Religious Education. The Year 7s selected and explored themes, then developed liturgies that they led throughout the week. I was fortunate to be able to share in the preparation process with the students and was delighted to see the leadership they showed within their preparations, the need for my assistance was minimal as a result of their enthusiasm and hard work. It is pleasing to see their leadership shine through along with the strong commitment to their learning. This experience is a great way for students to share their ideas with others and reflect upon Gospel Values through a variety of themes. I know those who were invited to attend were able to find value in hearing from their student leaders and seeing the prayer spaces that they created. I extend my sincerest congratulations to the Year 7 students on their success and look forward to being able to call on them for future liturgical celebrations.

We are finishing the term with a Crazy Socks Day to raise funds for the Catholic Mission charity. While this gesture may be a day of fun and silliness for our school community, it is important to remember the responsibility that comes with our position of privilege. We are fortunate to live in a society that allows free speech, a diverse number of Religions and access to education but unfortunately this is not the reality for all people. Catholic Mission works in over 160 countries to support missionaries to reach out to those in need, giving people the chance to live an enriched life regardless of race, stigma or gender. Our contribution of a gold coin may seem insignificant but the difference that it can make to others in need is of a magnitude that we may not be able to comprehend. So I encourage everyone to join in the fun and pull on a pair, or mismatching pair of socks, and as you do so thank God for the blessings we have in each and every day.

God Bless

Krystina Dawe

Child Protection

Do you plan on attending excursions or volunteering in the school?

To avoid disappointment please make sure you have a Catholic Archdiocese of Adelaide Police Check (Catholic Schools Police Check).

Further information and forms available from the school office.

When is child-related screening required?

Child protection laws in South Australia make it mandatory for certain organisations to ensure particular employees and volunteers have met specific screening requirements. The relevant legislation, where the assessment relates to the care and protection of children, is the

*Children’s Protection Act 1993 (SA)*

and

*Children’s Protection Regulations 2010.*

In South Australia, organisations providing the following types of services, wholly or partly for children, are required by law to provide a child-safe environment:

- health
- child and family welfare
- education
- sporting or recreational
- religious or spiritual instruction
- child care and child protection
- cultural
- entertainment
- residential

Two very exciting semi-final matches were held last week in Chess Club - Mary vs Josh, and Riley vs Leo. These fantastic matches were played before an enthralled audience who followed each move carefully.

In the end, Riley won with a clever checkmate that found Leo cornered by several powerful pieces, while Josh surprised Mary with the classic 'lawnmower' checkmate.

Next term on Tuesday in Week 1, Josh and Riley will compete in a lunchtime game to get their name on the SJMS Chess Trophy. The game will be played as an outdoor Tournament.

Congratulations again to every player who has participated in the Tournament. Chess is an extremely competitive game, and it is not easy to put your name down - but it is certainly a valuable experience. Stay tuned for the Grand Final results next term.
Parents and Friends News

There is no doubt it has been a busy term, as Term 3 always is!

Discos

We had over 200 children come and join us over the last 2 Friday evenings and they had a ball! Special mention to the 27 Preschool children who joined us for their first disco last Friday.

This event is a great example of how little children need to get involved and have a great time - some music, disco lights and most importantly, glow sticks!!

Thank you to all the children who attended and to all the parents and teachers who came along to make sure everyone stayed safe. Thanks also to our DJ Jess and Brady who came along to both events. Thank you to Bec for all her organisation as well.

This is the third year we have held our discos and there is no question, they are a highlight.

Lunch Orders

This Friday is the last day of term and also our last lunch order for Term 3. Thank you to Foodland Norwood and Marryatville Pizza Pan for supplying the donuts and pizzas and to Vikki and her team for all of their efforts.

Quiz Night Certificates of Appreciation

These will be distributed shortly to all of the businesses that supported us. If you were a contact for a business that provided a donation or sponsorship, we ask that you deliver the Certificate on the school’s behalf.

Thank you again

I know I have said it before but once again thank you all for your generosity this term. The P&F is well aware it is a busy term with constant notes, particularly in preparation for our major fundraiser, the Quiz Night. We try our hardest to space things out but sometimes, this is out of our control. Your support and patience are always appreciated.

You will be pleased to know that other than 2 more lunch orders, Term 4 sees much less activity from the P&F, at least in terms of events, as we know the end of the school year is busy enough.

We will be hosting another coffee after drop off early in the term (date TBA) at William St and invite all parents to come along. We extend a particular invitation to those parents who have children commencing at William St in 2018 who may not be overly familiar with that campus. Come along for a coffee/tea and some cake and as always, we will be happy to answer any questions you may have.

Planning for 2018

The P&F Executive will be having a meeting early next term where we will review what we have achieved this year and begin making preparations for next year. As is always the case, if you have any suggestions or have an issue which you would like us to raise on your behalf with the SJMS Leadership team, please do not hesitate to contact me or another member of the P&F Executive.

Enjoy the holidays and hopefully some beautiful Spring weather!

Mayor’s Christmas Card Competition

Click here to download entry form.

2017 - Mayor’s 10th Christmas Card Competition Guidelines

Every year the Council organises Christmas Cards for the Mayor, Chief Executive Officer and General Managers for distribution to other Councils, government agencies, schools, community groups and individuals who have a professional relationship with the Council.

The Mayor is once again, inviting Primary School Students from all schools throughout the City of Norwood Payneham & St Peters, to enter the 2017 Mayor’s Christmas Card Competition.

Students from Pre-School to Year 7 are invited to draw or paint a Christmas scene that they feel captures the spirit of the festive season and which follows the guidelines below. The winning entry from each year group will be printed onto Christmas Cards with the student’s name, year and school printed on the inside of the card.

Guidelines for Entry:

1. Entries must reflect what Christmas means to you.
2. Entries must be drawn onto the official Entry Form – please do not provide the entry on a separate piece of paper.
3. Entries must include the child’s full name, address, school and year level.
4. Only one (1) entry per student will be accepted.

Prizes:

First, second and third prizes will be awarded to students from Pre-School to Year 7 year level. Prizes are as follows:

- First Prize - $100 Dilions Bookshop voucher
- Second Prize - $75 Dilions Bookshop voucher
- Third Prize - $50 Dilions Bookshop voucher

The overall winner will also receive Hoyts Gift Card to the value of $100 and will have their design featured on the front cover of the December edition of the Council’s newsletter, Look East.

The winning entry from each year group will be printed into Christmas Cards with the student’s name, year and their school printed on the inside of the card.

How to enter:

Address your entry to:

Attention: Cathy Condina, Executive Assistant, Governance & Community Affairs
